32" of 1.5" pink and white striped ribbon

26" of white 7/8" ruffle ribbon

9" white with black dots grosgrain

9" black with white dots grosgrain

18" of 1.5" black and white striped ribbon

13" of black and white grosgrain ribbon with dots

5" of 1.5" pink and white striped ribbon

32" of 1.5" pink and white striped ribbon, start off making a bottom 3" loop.

Pull your ribbon downward and make another 3" loop.

take your ribbon, make a loose 8 type of shape.

Go back and forth with your ribbon, making 3" loops until you have 6 loops made. Clinch it in the center and secure it with your wire.

Take a 5" of 1.5" pink and white striped ribbon, make a loop and wire it well.

Attach it to the back of the bow so now you will have 7 loops!

18" of 1.5" black and white striped ribbon

Do the same process all over again with the black and white striped bow.

Leave a tail.

Clinch in the center and secure it well with your wire.

Bend your bow in half and tighten your wire. By bending it in half it helps you get the wire tighter

so that it will not come un done.

Cut your one tail on an angle.

Put your pink and white striped bow on top of you black and white striped bow. Wrap your wire around bit of the bows to keep them snugly

together.

9" white with black dots grosgrain
9" black with white dots grosgrain

Clinch both ribbons together and wire. Put aside for now.

13" of black and white grosgrain ribbon with dots, cut your ribbon on both ends on an angle. Take your tails and sew or wire them to the back of your bow. Now this way it looks like your bow has 4 tails! 2 pink and white and two black and white dot.

Secure it well with your pink and white ribbon. Put aside for now.

Take your ruffled ribbon. Roll a nice tight piece of ribbon that will be your rose bid. Fold over like 3" of ribbon.

As you are rolling your rose twist your ribbon a little that will make it look more like rose petals. Keep on doing it until done. Stick a safety pin through the bottom layers of the rose to hold it together.

Put all of your pieces together, your pink and white striped bow, add the black and white striped bow on top of that, add your two angled pieces of ribbon on top in an X pattern. Now add on your ruffled rose in the center of your bow. :)
